

SPIRITUAL AUDIT

Conduct a spiritual audit for your personal walk as it relates to ministry.

- Do I trust Christ for my righteousness or am I simply trying to *do more*?
- Am I content with who I am becoming in Christ?
- Is my spirituality genuine or pharisaical?
- Does my family recognize the authenticity of my spirituality?
- Does my ministry flow out of the fullness of my own life?
- Do I genuinely love others?
- Can I be still and quiet?
- Have I learned how to say “no”? Or have I defined the parameters of my ministry?
- Is my prayer life improving?
- Have I maintained a genuine awe of God?
- Is my humility genuine or pharisaical?
- Do I feed my soul? How do I feed my soul?
- Am I learning obedience?
- Do I know contentment, peace, and joy in my personal life, material possessions, and relationships?
- What are idols in my life vying for my attention, pulling me from the feet of Christ?
- Am I learning to be more dependent on Christ for my strength, or am I trying to do it on my own?
- Am I in, or am I seeking, true community?
- Am I attending worship faithfully?
- Are there people close to me that I can speak with openly about matters of significance?
